Universitas Scientiarum (Univ. Sci.) (ISSN 0122-7483 printed version; ISSN 2027-1352 online version), was founded in 1987 by the Faculty of Science of the Pontificia Universidad Javeriana, Bogotá, Colombia. It is an Open Access, multidisciplinary, peer-reviewed Journal, directed to researchers in the exact and natural sciences.

The objective of our journal is to contribute original theoretical and practical knowledge to promote the understanding necessary to resolve environmental and health problems within a Latin-American context.

The journal has a distinguished editorial board composed of 70 Ph.D. leading researchers in different fields from around the world (20 countries).

Universitas Scientiarum publishes original articles, short communications, reviews, mini-reviews (meta-analysis, reviews of methods and concepts), methods articles, and book reviews. The journal accepts manuscripts in English, Spanish and Portuguese; however, English is encouraged.

Advantages of publishing with us:

- Unrestricted open access
- First on-line (article is published as soon as it is accepted)
- Fast review processing (***the time from submission to first on-line publication is less than three months***)
- High quality peer-review
- No page charges
- Free PDF
- Color page free of charge
- Free, limited, paper reprints
- Paper citation update (analytics)

The journal is indexed and referenced in SciELO Citation Index– ISI Web of Knowledge - Thomson Reuters, Scopus (Q3), Google Academic, ASFA, ZOOLOGICAL RECORDS, ULRICHSWEB, COPERNICUS, Chemical Abstracts (CA), Directory of Open Access Journals (DOAJ), Periódica, Académica, Dialnet, HINARI, AGORA, SciELO, Latindex, Redalyc, e-revist@s, LILACS and National Bibliographic Index (Publindex, A2). *Universitas Scientiarum* is ranked third among Latin American multidisciplinary journals.

Every paper submitted is subjected to international peer-review by experts in each discipline. In order to provide the highest publication quality, once a manuscript has been accepted for publication, it will undergo free language copyediting, typesetting, and reference validation.

The journal is printed three times a year (April, August and December); however, every paper is published, as first on line, once it has been accepted (open access).

All submissions are processed online through the management and publishing Open Journal System (OJS).

Open Journal System registration and manuscripts submission:
