

SUPPLEMENTARY MATERIAL No.1

HaviStat© v2.2: Application to estimate preference for habitat and resources

HaviStat© v2.2

How to download the software:

- **First option**

1. Access the web page:

<http://miseryukyu.com/MISE%40University_of_the_Ryukyus/Data_sets.html>

2. Click the link indicated by the arrow to download program.

- **Second option**

Directly access the below download link:

http://miseryukyu.com/MISE%40University_of_the_Ryukyus/Data_sets_files/Havistat%20v2,2.zip

- **Third option**

Please send an e-mail to haviStat@gmail.com requesting a copy of the program.
